

NEWS RELEASE

CSE Global Named Amongst Southeast Asia's Largest Companies by Fortune

Singapore, 18 June 2025 – CSE Global Limited ("CSE Global" or the "Group"), a global systems integrator providing electrification, communications and automation solutions, is pleased to announce that it has been included in the second edition of the Fortune Southeast Asia 500 list. This list highlights companies from seven countries - Indonesia, Thailand, Malaysia, Singapore, Vietnam, the Philippines, and Cambodia – that have shown resilience and performed well amidst the macroeconomic uncertainty in 2024.

Mr Lim Boon Kheng, Group Managing Director / Chief Executive Officer of CSE Global, said, "It is an honour to be recognised for our commitment to growth and sustainable returns. Over the past few years, we have transformed the business by diversifying into new sectors and innovating our solutions. This strategic approach has resulted in a steady growth momentum. We are deeply encouraged by this recognition and remain focused on delivering healthy financial performance in today's dynamic operating environment."

The [Fortune Southeast Asia 500 list](#) ranks companies by revenue for their latest available fiscal year ended on, or before, December 31, 2024. CSE Global reported a revenue of S\$861.2 million for the financial year ended December 31 ("FY") 2024, an 18.8% increase from FY 2023.

In addition to this recognition, CSE Global was featured in the FT High-Growth Companies Asia-Pacific 2025 by The Financial Times and Statista, a ranking of 500 companies in the Asia-Pacific region that achieved a high revenue growth between 2020 and 2023. During this period, CSE Global had an absolute growth rate of 44.21% and a compound annual growth rate of 12.98%.

About CSE Global Limited (“CSE Global”)

CSE Global is a leading systems integrator providing electrification, communications, and automation solutions across various industries globally.

At CSE Global, we pride ourselves as a trusted, lifelong partner to our customers who always has their interests at heart. Leveraging our engineering experience, technology and diverse skill sets across our global network, we design and build customised, integrated systems for our clients that solve their problems.

Our integrated systems – from electrification to communications or automation systems – sit at the heart of every infrastructure and are mission-critical in nature. With highly attuned engineering capabilities at our core, we have successfully delivered complex, large-scale projects amidst the most challenging conditions. Our technologies are designed to reduce waste, allow for greener, smarter processes and are built to last.

Listed on the Singapore Exchange since 1999 and with our presence across 15 countries, 61 offices, and more than 2,000 employees across the globe, we enjoy long-standing relationships with a sizeable customer base comprising large government organisations and renowned brands.

Over the years, we have built a workplace culture and management style that is people-centric, supportive and collaborative with employee well-being and people improvement as our key focus. Our passion for our work has resulted in a consistent profit track record for the past three decades, as we continue to pursue operational excellence to achieve sustainable growth and enhanced shareholder returns.

CSE Global – Customer Satisfaction Everytime.
